

## RED MULTIPURPOSE HOSE

### Recommended Use:

Premium multi-purpose hose for use with Air, Water, Oil, and other Petroleum products. Can be used with higher octane fuels.

### Features:

- Excellent resistance to petroleum products, diesel, kerosene, and lubricating oils.
- Economical compared to many other multi-purpose alternative hoses.
- Operating temperature -20°C to +99°C
- Non-Conductive.
- Highly flexible and excellent weather resistance.

### Construction:

**INNER TUBE:** Black NBR.  
**REINFORCING:** Braided synthetic cord.  
**OUTER COVER:** Red smooth NBR.

PRODUCT CODE	ID (mm)	OD (mm)	WORKING PRESSURES (psi)	WEIGHT kg/m	BEND RADIUS (mm)	COIL LENGTHS (m)
